We operate as a Florida Cottage Food Operation, meaning all of our baking is done in our homes. We hold all meetings and consultations at our 30A Event

Professionals office space located at: 327 South County Hwy 393,
Santa Rosa Beach 32459, upstairs in unit 201.

We prefer to deliver to our clients, but pick-up is available upon request.

Sweet For Sirten & Teensy Treats is a small boutique that specializes in classic, Southern cakes and desserts – with just a dash of whimsy! We take so much care in each order, and all of our desserts are homemade in small batches. Due to this, we only take a few orders a week. {We are not a high volume, walk-in bakery.}

A minimum two weeks' notice is the general rule for all custom cake and dessert orders. Because we are a small operation, we book up quickly. Many dates during peak seasons fill up months in advance.

Please email jessica@sweetforsirten.com -or- teensytreats@sweetforsirten.com for all your orders. Please include the date of your event, number of servings needed, and style inspiration/theme in order to expedite the process.

Wedding Cake Consultations

Tastings and consultations are available, and are held in our office space. Appointments must be made at least one week in advance and are subject to availability. Clients can choose **five** cake flavors to sample. We will discuss all aspects of your cake design, so please bring any inspiration you may have – invitations, Pinterest boards, and color swatches are always great! Appointments usually take around one hour. The cost of a tasting and consultation is \$50, to be paid prior to your appointment time. If you choose to book your cake with Sweet for Sirten, this fee is applied to your balance.

Cost Guide

Tiered, special occasion cakes start at \$5.75 per serving, with a \$250 minimum inclusive order. Once all aspects of the cake are finalized, the average buttercream design falls between \$6 - \$7 per serving and fondant around \$8 per serving.

Sugar flowers are not included in per-serving prices, and incur an additional cost.

Delivery charges vary based upon your reception venue.

A coordinating stand is included with the purchase of any wedding cake. Stands must be returned within (3) business days, or a \$100 stand fee will be charged. We are happy to use any stand you (or another vendor) provides, as well.
